Not only has it been a crazy two years, but now it is a crazy time of year. So much going on each and every day for all of us. But it is a time to be thankful for everything we have and the people in our lives. I am so thankful to Juanita Jensen for all the work she does to make our Garden Club booth so nice. She spends a lot of time cleaning and researching donated items, to see if YOUR Treasures are worth a buck or \$2 or maybe \$100's of dollars. It happens! Please **contact Juanita Jensen, 651-592-1726** if you would like to consider donating small quality items that you no longer want or maybe taking up space in your closet, garage or shed, because of you, we collected \$265.43 for the November sales.

I also want to thank Tess Mensch, the owner of The Cat's Meow for generously donating a booth each month to the garden club. People are on a waiting list to rent a booth at The Cat's Meow. Thank you again Tess.

I am also thankful for all the wonderful members who have taken the time to find items and to donate them to help benefit our garden club.

Please visit the Manatee River Garden Club's Booth at this very nice Vintage Marketplace located at 4307 26th Street West, next to Pet Supermarket. It is opened Wednesday, Friday and Saturday 10-5, 10-6 on Thursday. It is a great place to purchase unique gifts for the holidays.
